

APRIL Outpatient Direct Billing Panel Network (General Practitioner)

INTRODUCTION AND TERMS OF USE

APRIL's Outpatient Direct Billing Network is designed to provide our members with a service that makes claiming for outpatient services quick and convenient.

When members with a valid APRIL Member Card use clinics within our network, APRIL will settle eligible medical expenses incurred directly with the medical provider.

Only members with outpatient benefits can use direct billing services. Please note that Moratorium policies are not eligible to this service.

Use of this list is governed by your Policy's Terms and Conditions and is also subject to the guidelines, exclusions and remarks listed below.

Download our Easy Claim app on your smartphone to search and locate healthcare providers within our Asia network.

With the app, you can:

- ✓ Search a healthcare practitioner by name, location or specialty.
- ✓ Check whether you are eligible for direct billing in the displayed facilities

To verify your eligibility for direct billing, log in to the app and click on the "E-card" button:

- If the code "**DB**" is displayed on your card, you are eligible for direct billing within our whole Asia general network.
- If the code "**PNW**" is displayed, you can enjoy direct billing within our Hong Kong panel network (see page 7-8).

Reminder

Members with outpatient benefits should have access to this service, however, if you have not used our Outpatient Direct Billing Network before, or have any problems using the Network, please call us at +852 2526 0505 (Hong Kong) or email your questions to claims.hk@april.com

Inpatient Direct Billing

For inpatient treatment, APRIL can arrange direct billing if proper notification and documentation are provided and subject to the hospital's agreement. If you would like APRIL to arrange direct billing for inpatient services, please inform your hospital and notify APRIL at least 5 working days prior to admission or for a planned surgery/procedure/operation.

Emergencies

If you have an accident or emergency and urgently need APRIL to guarantee your expenses, please call APRIL Assistance whose contact details are printed on the back of your member card.

Maternity

Direct billing for outpatient maternity benefits may also be arranged within our network, but only with ONE PROVIDER per policy year (per pregnancy) in order to keep track of applicable sub-limits. Once you have decided on your sole provider within the network, please inform APRIL and we will provide a Letter of Authorization with a benefits balance for you to present to the clinic for record keeping.

Eligible Outpatient Direct Billing Services

The following outpatient services may be direct billed to APRIL:

- General Practitioner consultation
- Specialist consultation
- Laboratory investigation
- General X-ray
- Prescribed medications obtained at the clinic on the same day of consultation

Diagnostic procedures such as CT scan, MRI, Ultrasound, Mammography or other investigations for chronic conditions as well as inpatient and outpatient surgery require pre-authorization which can be obtained by completing Section C of the Medical Claim Form and submitting it to APRIL for approval.

For information on how to access direct billing, please refer to the claim instructions included in your member pack or contact APRIL Claims Department whose contact details are printed on the back of your member card.
